

Captain's Charity 2019

At the Seniors Xmas Dinner, the two Captains were pleased to hand a cheque for £1500 to Blood Bikes. Kirk Phillips who accepted the cheque on their behalf, informed the club that this donation would cover the running the cost of one bike for 2020.

The Captain also informed the members that a further four figure cheque would be been sent to Prostate Cancer.

The Captain thanked all our generous members from every section of the club and in particular our immediate Past Captain Paul Chruszcz, for his magnificent contribution of approx £1600, following his Coast To Coast Bike Ride.
