

Dear members,

I would like on behalf of the Lady Captain and myself to thank all who participated in the Captains Fun Day, with a special thanks to the ladies section and others who volunteered their services on the day.

Thanks to those who donated bottles etc. their generosity meant we were able to raise £540 for the Captains charities which are Prostrate Cancer and Breast Cancer,

Thanks to those who kindly paid a £1 to smack me in the face with a wet sponge and thanks to our Vice Captain, and Green Staff Mike and Alistair for entering the stocks and getting the same treatment

.
All in all with the Covid situation as it is it was a good day and I can only say once again a Big Thank to you all

Brian Bennett.
(Captain 2021)
