

Dear Colleagues,

May I take this opportunity on behalf of Alder Root Golf club, Lady Captain, Lady President, Mr. Paul Lander and committee members to attempt in updating you all during Covid-19 and lockdown.

First of all, I trust that everyone within your families are keeping safe and well during this lockdown and by now ready to start playing golf again.

Many of you may have seen photos on our website showing the fantastic course alterations completed by Paul, Mike and team during the lockdown and I know Lady President will be letting you all know in detail of the changes shortly.

Mr Ray Hunter has been staying close to English Golf who have provided further updates such as:                   PLAY SAFE STAY SAFE.

Ray once digested all of the information will be adding the main contents onto our website covering the main frameworks:

Communications  
Volunteers  
Business Support  
Preparing your facilities  
Playing the game.

The above will cover areas such as:

During lockdown period, Members, Committee, Staff and Volunteers, and many more areas, such as signing on procedures, updates on course procedures and so on.

Finally and to conclude, may I please take this opportunity to wish you all a very safe time during this still lockdown period and look forward sooner rather than later in seeing you all back at Alder Root.

Captain 2020.**
