

Hi Everyone,

Great news! Alder Root will soon be opening its fairways and welcoming back members to enjoy our beautiful course.

In preparation for this, the greens staff are working hard to have the course ready and in the best condition possible for your return.

Due to the beautiful dry weather, Mike and Alister have been able to start hollow coring the greens, which will be followed by over seeding and top dressing. The fairways and roughs have been mown and the bunkers will be prepared, in readiness to receive your balls!

We've had a few kind volunteers on the course, raking cores, removing storm damage and generally helping out, so can I say a big thank you for your support.

Until the end of the month, stay safe and we look forward to seeing you all very soon.

Gill Chruszcz
Greens Chairperson
