

SENIORS SECTION COMMITTEE ANNOUNCEMENTS FEB 2022

Following the February Seniors Committee meeting we wish to share the following information.

AGM - Next month we will hold the Annual Seniors AGM. It will be held on the 31st March at 11.30 following a shot gun start at 8.30. A separate notice has been issued given details of the agenda and inviting Seniors to put forward topics for discussion.

Seniors Away Day- We have had a fantastic response to the Away Day at Abergele. We have over 30 people so far but the coach can accommodate a few more. Please let Jimmy Crymble know if you would like to join us.

I-Golf upgrade – A representative from I-golf will visit the club soon to help with the implementation of the system. We hope to have the system running for the start of the summer season.

Manchester and District Golf Alliance–We have entered a Seniors Team into the 'Seniors Team Knockout' competition. There will be 10 players playing 4 ball better ball matchplay. We have received a BYE in the first round so move straight into the second round to be played in May. We will invite volunteers to play nearer the time.

Mats thru the Green - To allow more competitions to qualify for handicap assessment the rules have been amended when the course is declared 'Mats through the Green'. Players should use mats on closely mown areas (fairways and green surrounds). Elsewhere players can lift clean and drop within 6 inches.

Matchplay Competitions -Thanks to everyone who has signed up for the singles and pairs knock out competitions. There is sufficient interest to run these competitions this year and the draw will take place at the AGM.

Vets vs Seniors - We have challenged our friends in the Vets to a new competition. They have, of course, accepted. The details will be worked out to allow a summer competition.
